Hi Teresa,

Thank you so much for that additional information. One quick follow-up question about that – when was the grant from EPA to WVDEP issued that this sub-award was given to the County from, and when did it expire? Thanks again.

Subject: Grant to Jefferson County Commission

Hi Mahri – WVDEP did provide a subaward of \$30,000 from federal CB funds to Jefferson County Commission in February 2012 in order to do background work in the development of Jefferson County's Stormwater Ordinance:

Jefferson County Stormwater Ordinance - This project will fund a consultant to do an all-inclusive review of Jefferson County's Comprehensive Plan, Zoning Ordinance, Subdivision Ordinance, Improvement Location Permit Ordinance and Floodplain Ordinance; and conduct a comparison of these ordinances / regulations.

Please let me know if you need any additional information.
